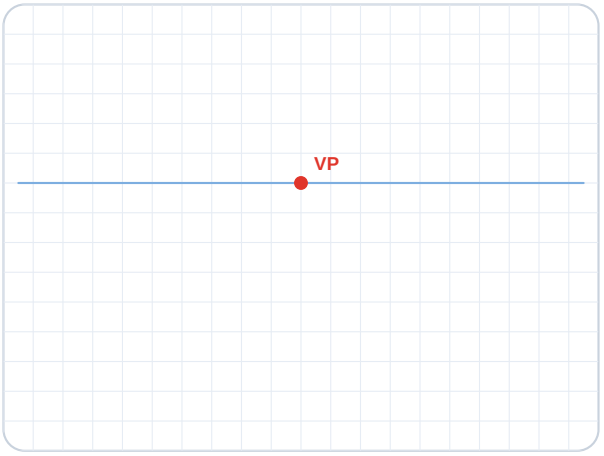
Road to the Castle

Follow the steps. Draw the orange lines! Blue lines are soft helper lines.

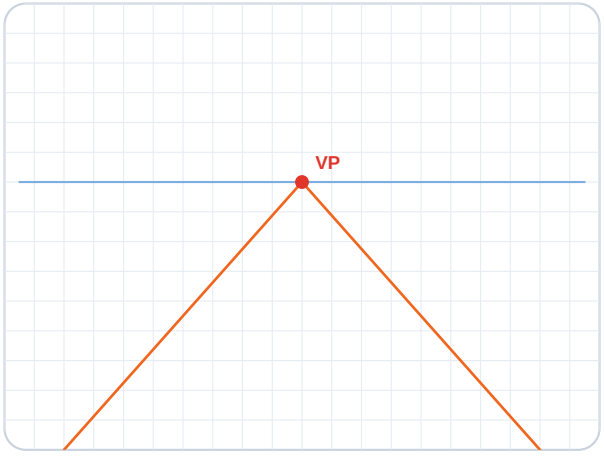
STEP 1 **Draw the sky line**

Draw a long, light line across your paper. That is where the sky touches the ground!



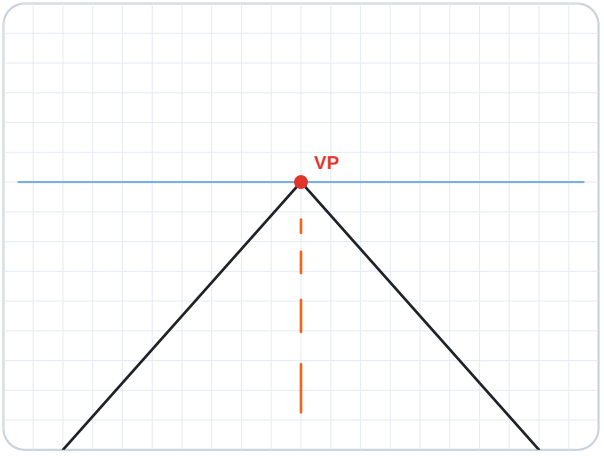
STEP 2 **The magic dot**

Put a dot in the middle of the line. Everything far away runs into this magic dot.



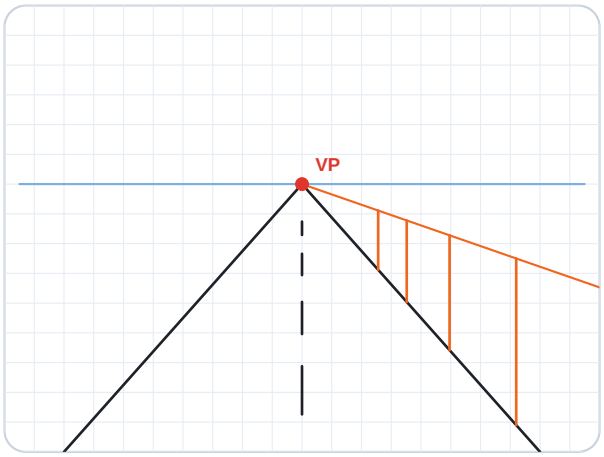
STEP 3 **Make the road**

Draw two lines from the dot down to the bottom corners. Wow, a road!



STEP 4 **Road stripes**

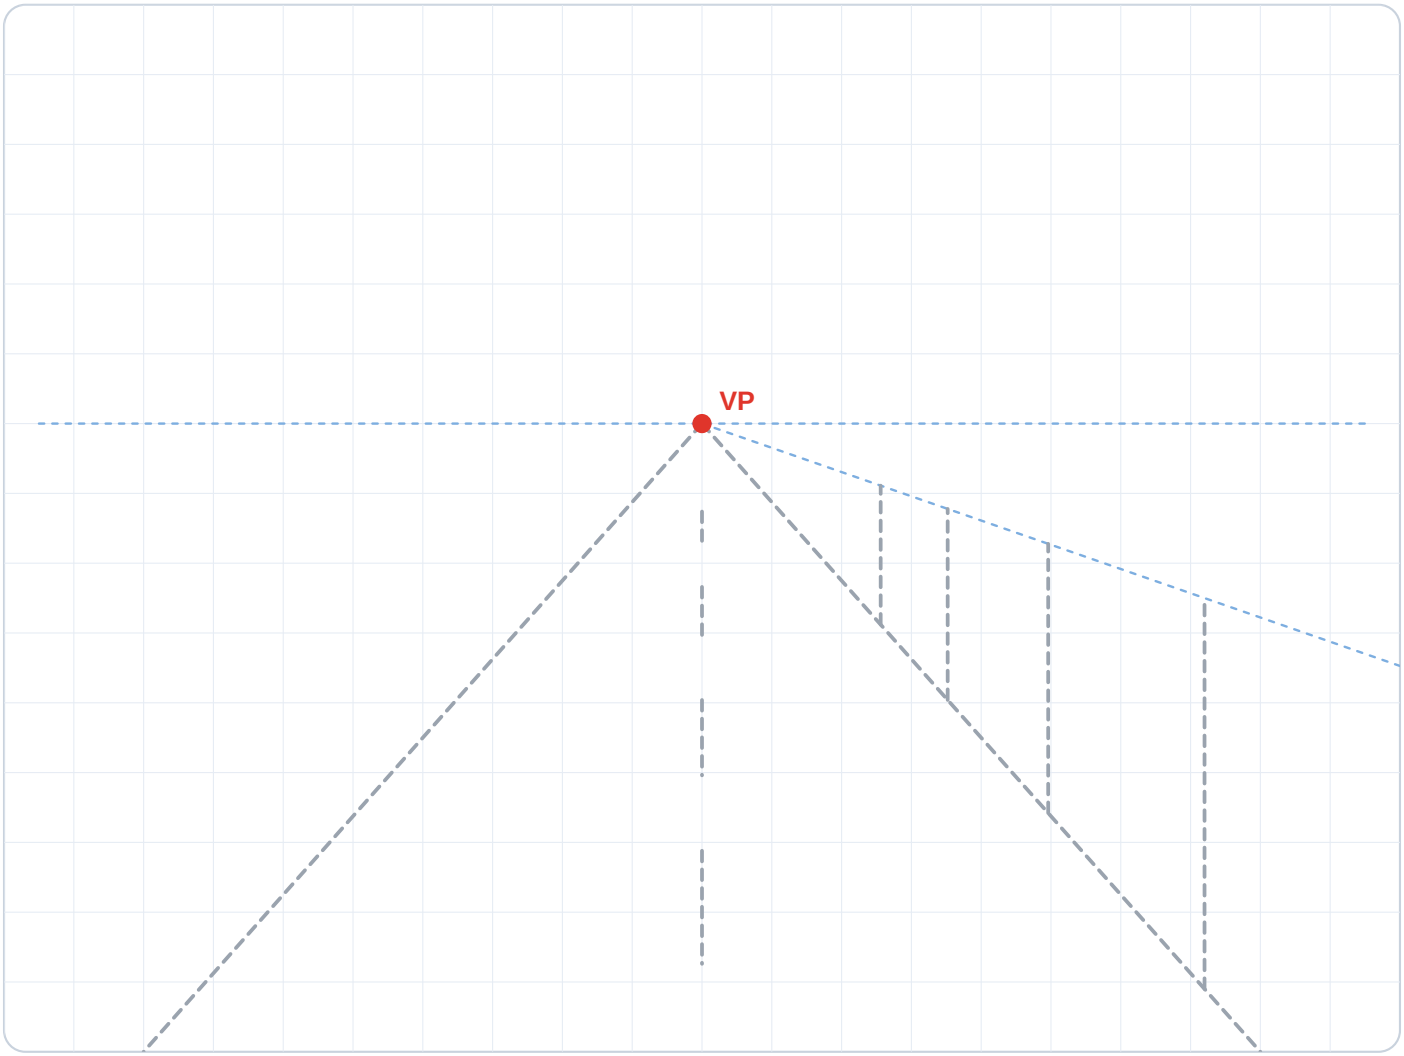
Draw stripes in the middle of the road. Make them smaller near the dot.



STEP 5 **Lamp posts**

Draw a tall post near you. Then smaller posts, all the way to the dot!

Road to the Castle



Trace it!

1. Go over the blue dots softly, like a whisper.
2. Go over the grey dashes with a ruler.
3. Color it in with your favorite colors!

Road to the Castle

Now you draw it!

The sky line and magic dots are ready. Start from step 2!
