Follow the steps. Draw the orange lines! Blue lines are soft helper lines.

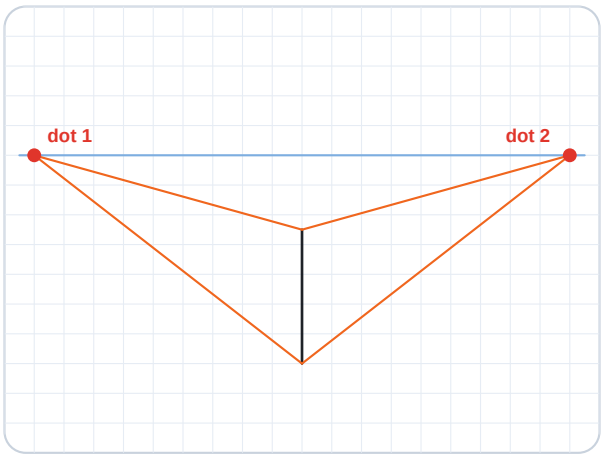
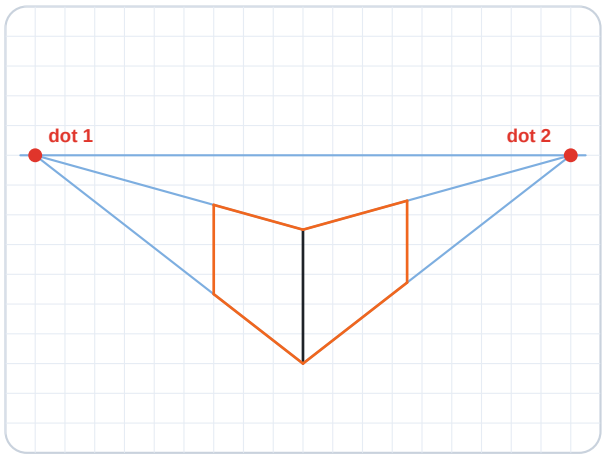
STEP 2 **The front corner**

Draw a straight line going down. That is the corner of the block.



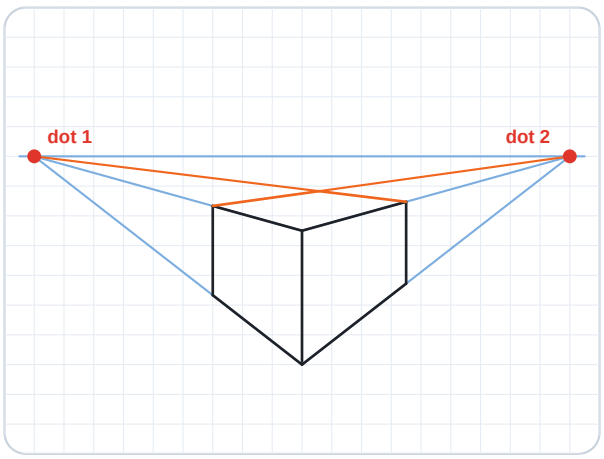
STEP 3 **Lines to both dots**

Draw lines from the top and the bottom of the corner to both dots.



STEP 4 **The sides**

Draw two more lines going down for the sides.



STEP 5 **The top**

From the new tops, draw lines to the other dot. Where they cross is the back corner.
